2010 Student Trooper Program

1st Program Session -
June 27 - July 2, 2010

2nd Program Session -
August 22 - 27, 2010

Michigan State Police Training Academy
Lansing, Michigan

Applications for either session are open to only a select few high school students with a 2.5 minimum GPA who are seriously interested in experiencing the daily life of a police officer as a prelude to a possible law enforcement career.

The Michigan State Police will review all applications and make final student selections, while active duty police officers from all levels will be the 24-7 instructors for five rigorous on-site days.

By week's end, each graduate will become part of a successful team, and each graduate will be in a position to decide whether or not to pursue a law enforcement career.
