Jack Helminski requested table top display and table skirt for the Reconnect table during yellow Ribbon workshops and other committee functions.

Chairman Tanner expressed his deepest sympathy to Jim Schutze's family to plans to draft a resolution to be heard at the Department of Michigan's 2011 Fall Conference that would establish an Annual Department Reconnect Award named after Jim Schutze. This award would be a lasting and fitting tribute to Jim Schutze and his dedication to serving Michigan's service members, veterans and their families. It would be awarded annually at the Department Convention.

Chariman Tanner stated that he received an emergency request for financial assistance over the phone on Thursday afternoon while here at convention from a National guard

soldier stemming from contact made at a recent yellow ribbon pre-deployment workshop. Due to pre-mobilization training and activation this soldier has lost private income resulting in financial duress. His landlord served this soldier, wife and children with a seven day eviction notice. After consulting with adjutant Lafferty and finance officer Buist, we were able to have Denise Koets cut and mail a check to this family on Friday.

Chairman Tanner spoke about the recent increase in financial assistance requests including recent Heroes to Hometown cases. The Reconnect committee was able to provide \$2000 to assist in the retrofitting of the home of a young Marine who recently lost both legs above the knee as a result of combat in Afghanistan. There were two more H2H cases pending for troops returning home to Flatrock and Gibraltar.
