

# Do You Know A Snowbird?

(Example - you live in Indiana from April-October and Florida from November-March)

Does your Post have one or more members who are snowbirds, moving between two different addresses each year? Did you know that National could automatically change their address so that they never miss an issue of their magazine, their renewal notices or any other mail from National? If you have members who would like to take advantage of this service, please let us know by having them complete the information below.

NOTE: *This service works only if the member moves between the same two addresses at the same time each year.* The member must provide a summer & a winter address and the approximate dates they move to/from each. Once their membership record is set-up for our "snowbird" service, the member won't need to notify us when they move unless they change either address entered below. Since most mailings from National are printed in advance, please allow 6-8 weeks for the initial change to take affect.
